

PRODUCTS REPRESENTED	
TRIAD	Industrial and Instrumentation Ball Valves, Sanitary, Compression, Butterfly, Double Union, Flanges, Screwed End and High Pressure.
ACCORD CONTROLS	Pneumatic, Electro-Pneumatic Positioners. Limit Switches and Transmitters.
ADVANCED VALVE DESIGN	Fabricated and custom built dampers and butterfly valves.
ASCO	Asco Joucomatic Solenoid Valves. Two, Three, and Four Way.
AMERICAN WARMING	Louver, Guillotine, Butterfly, Slide Gate, Dampers in Standard Design & Custom Fabrication.
BELIMO	Electric actuators for modulating, on/off and failsafe control of valves and dampers.
BURKERT	Process Solenoid Valves. Available in Brass, Stainless And Plastic. Flow & Level Transmitters, PID Controls.
CLEVELAND EASTERN MIXERS	High quality fluid mixing equipment for the chemical processing, food pharmaceutical and personal care industries.
FRISTAM	Positive displacement pumps for automotive paint recirculation systems.
G.A. INDUSTRIES	Golden Anderson Valves. Automatic pump control valves. Surge and water hammer control valves. Valves for control of pressure, level, throttling and energy dissipation. Check valves, strainers, air release valves and filter plant valves.
GRISWOLD	Automatic flow control valves.
HEDLAND	Turbine-Type, Positive Displacement, and In-Line Flow Meters. Pressure Indicators, Flow Switches, and Flow Monitoring Systems.
HOFFMAN	Industrial grade quick disconnect fittings.
KAHN	Precision Hygrometer for Dew point Sensing.
KING	Flow meters- Float Type
KUNCKLE	Pressure Relief Valves (Safety Valves)
LARAD	DIA-CAM Quarter Turn Pinch Type Spool Valves.
LAROX	Lined pinch valves for industrial slurry applications.

PRODUCTS REPRESENTED	
MUELLER STEAM	Simplex & Duplex Basket Strainers, Y Strainers. Check Valves, Butterfly Valves.
NEWCON	Urethane-Lined Knife Gate Valves for Abrasive Applications.
NIBCO	Industrial Ball & Butterfly Valves.
ORBINOX	Knife gate and sluice gate valves for paper, power, steel and chemical applications.
OMEGA FLEX	Flexible Metal Hose, Stainless Steel Hose.
PARKER	Two, three and four way solenoid valves.
POSI FLATE	Inflatable Seat Butterfly Valves for High Cycle Abrasive Applications.
PROCO	Flexible Metal Expansion Joints.
RADIUS	Rack & Pinion Pneumatic Actuators
RCS	Electric & Spring Return Electric Actuators.
SAMSON	Globe Style Control Valves, Lined Control Valves, Segmented Ball Valves, Self Operating Control Valves.
SAUNDERS	Industrial and sanitary diaphragm valves. Configured in both weir and straight through types.
SIEMENS	Field instruments for process automation. Including level, flow, pressure, temperature and process protection.
SPEARS	Thermoplastic Ball, Butterfly Valves and Fittings.
SURE FLOW	Industrial strainers.
TOPLINE	Sanitary Fittings, Valves & Pumps.
VARISCO	Self Priming Centrifugal Pumps, Self Priming Centrifugal Pumps for Liquids with Solids in Suspension, Self Priming Positive Displacement Rotary Pumps.
DELTA VALVES	Non-Rising Stem, Full Flanged Knife Gate Valves.
WINTERS	Gauges and instruments for pressure monitoring.
XOMOX/MATRYX	Tufline Non-Lubricated Sleeved Plug Valves, High Performance Butterfly Valves, Thermoplastic Lined Ball Valves, Check Valves and Accessories, Rack & Pinion Pneumatic Actuators.
